School-based optometry clinic which runs from Sept - May. Children have to be attending the specific schools within the TDSB . At the beginning of the school, parents are informed about the program and all children can access the program regardless of health card status.

The Eye See...Eye Learn (ESEL)

Program is available to children born in 2016 that are in any junior kindergarten program. This ESEL program begins July 1, 2020 and goes through to June 30, 2021. Questions about the program? Contact OAO at: Phone: 1-855-424-3735 (toll free) Email: esel@optom.on.ca

If it is something very complicated that needs a specialized eye doctor, then they can book an appointment at FCJ Primary Care Clinic and we can do a referral.

208 Oakwood Ave. Toronto ON 416 469 97 54
