We're thrilled to be welcoming back our co-teachers, Tyler Correia and Jesse Kohut. Held over twelve weeks, this semester will offer a weekly two hour blended course, incorporating foundational academic skill building and advanced implementation of these skills. Throughout the course, students will be guided in developing critical thinking, writing, and reading skills, while engaging in assignments to challenge themselves and expand their horizons. This program will also offer weekly study hall sessions, and each student who successfully completes the course will be provided with a certificate.

Please indicate if you are interested in only one or both of these courses.

- i. Academic Foundations
- ii. Academic Immersion & Foundation Implementation

What are you hoping to learn through this program? What are your educational goals?
